MEMORANDUM FOR: Colonel White

THRU : Mr. Lloyd ✓

SUBJECT : Support Services Personnel Assigned Responsibility
for Preparation of Support Annexes to DD/P War
Plans

1. About a month ago at a DD/S Staff Meeting, you expressed concern that all support services personnel assigned responsibility for the preparation of support annexes to DD/P war plans be given the training appropriate to such assignments.

2. I have reminded training officers of the DD/S components of this requirement and asked them to be sure to have at least 1 person in the next War Plans Course which is scheduled to begin 9 April. In this connection, the 2 persons assigned these duties in OTR have had the course, and 3 of 4 assigned in the Logistics Office have completed the course.
